Driven by her desire to help people, Jewel Boswell became an attorney to confront problems head-on and offer creative solutions for her clients.

As an Associate on the firm's Insurance Defense team, Jewel represents insurers and insureds in first-party no-fault and third-party automobile negligence claims.

Majoring in Political Science with a Pre-Law Concentration, Jewel earned her undergraduate degree from the University of Detroit Mercy. She served as President of the Political Science Association before graduating in 2017, *magna cum laude*. Thereafter, Jewel received her law degree from Thomas M. Cooley Law School, where she served as secretary of the Black Law Students Association and the Christian Legal Society. She was also an active member of the Criminal Law Society and participated in the Family Law Assistance Project, where she managed domestic relations cases under a supervisory attorney and appeared in court on behalf of her clients.

Before coming to Zausmer, Jewel worked for Lakeshore Legal Aid, a non-profit law firm, where she assisted in providing legal services to low-income individuals in need of legal advice.

Outside of the office, Jewel is an avid member of her church, participating in the Community Outreach Program that provides basic necessities to individuals in the community. In her spare time, she enjoys watching her favorite TV show of all time, *The Golden Girls* and her favorite character in the show, Dorothy Zbornak, because she is sarcastic, compassionate, and fierce. Jewel also enjoys riding her bike and listening to music.
